Would your child like a fresh portion of milk each day in school everyday?

Please see the flyer below to sign up your child.

Please note children in Reception receive this already so there is no need to sign them up this year.

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/register. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk

Our Christian value this half term is

Thankfulness

- ◆ How can we show we are Thankful?
- ◆ What are 3 things or people we can be thankful for each day?
- ◆ Express your thanks. When you tell people how grateful you are, not only does it make them happy but makes us happy too.
- ◆ You are valuable and important too.
- ◆ Be thankful for things we may take for granted, a roof over our head, safe drinkable water, free education.
- ◆ Make thankfulness a habit. Find a regular time to fit it into your day, reflection can have a big impact on our moods and outlook.

What are you thankful for?
