Child Car Seat Safety Events

From February -March 2025 car safety events will be delivered by the Good Egg Safety, supported by Lancashire County Council

These free, community events will take place at a variety of supermarkets in specifically targeted areas and aim to educate parents/carers, grandparents and anyone who drives with children in their vehicle on how to correctly fit a child car seat to their vehicle.

The team will demonstrate how to correctly install the child car seat or inform the driver if a car seat is unsuitable for some reason. General road safety literature will be offered to take away with them.

Many of the mistakes' people make surrounding child car seats are simple and easy to avoid, including seats belts needing tightening, harnesses not being in the right position and incorrect head restraints ?simple, yet potentially lifesaving. Pop along for free advice and an independent check.
