‘Lift our eyes to hills Careers Carousel’

We have invited some of our lovely parents and local business owners into school to speak to our Year 6 children. It seems early to be discussing their future careers but they will start working towards it when they start high school and choose their subject options, so we wanted to give them some inspiration.

The children have prepared questions for our visitors and are looking forward to speaking to them all.

Thank you to all who have volunteered their time, we appreciate you!
