They have all tried really hard and made us proud!

Keep up the good work everyone

Year 6 Bikeability

Next Tuesday and Wednesday our Year 6 children will take part in Bikeability training. We managed to secure some funding meaning the training is free!

Children will need their bikes and helmets in school on both days.

The weather looks mixed next week so please send them into school with a change of clothes, showerproof coats and sunscreen. We will be prepared whatever the weather:)

Please ensure you have completed the online consent link that was re-sent earlier this week.

Thank You

Have fun Year 6!

Well done to Class 2 who had the best attendance last week with 98%.

Next week Mrs Wheeler will be awarding those children who had 100% attendance last half term with a small prize to bring home too.

There will be a prize draw on the last day for those children who have 100% attendance for the whole school year too!

Dear Parents/Kinship Carers of Current Year 5 pupils

Before the summer holidays begin, we wanted to get in touch with you about next term's prospective secondary school application, and how important it is to consider home to transport prior to making your final decision.

You must consider carefully how your child will get to and from your preferred secondary schools before submitting your application for a school place.

Pupils will only be eligible for free travel if they have an entitlement under the County Council's <u>Home to School Transport Policy</u>. It is important, when selecting your preferences for a school place, that you have read and understood the information available on the website regarding school admissions and travel assistance.

It is essential to remember - for transport purposes - the 'nearest suitable school' is the nearest school to the family home – and - in some cases, the nearest school will be located within another local authority area.

If you choose to send your child to a school that Lancashire County Council does not consider to be the nearest suitable school, there is no duty to provide free transport. You will need to make your own transport arrangements.

Assistance with home to school travel will not be needed for most children as they will attend their local school which will be within a reasonable walking distance when accompanied by a parent/carer as necessary.

However, if transport costs are a concern to you, please contact your Area Education Office before submitting your application:

| NORTH AREA | SOUTH AREA | EAST AREA |
|-----------------------|-----------------------------|-----------------------------------|
| Lancaster, Morecambe, | Preston, South Ribble, | Hyndburn, Ribble Valley, Burnley, |
| Wyre and Fylde | West Lancashire and Chorley | Pendle and Rossendale |
| | | |
| (01524) 581148 | (01772) 532109 | (01254) 220747 |

If your child is not eligible for free travel assistance but you would like your child to travel to school by bus, you may be able to buy a season travel pass from us.

The County Council will not provide extra services for non-statutory pupils and you will need to <u>plan how your child will get to school</u> if space on the bus is not available.

Please call 0300-123-6738 or visit <u>School bus season tickets - Lancashire County Council</u> to make an application.

Quad Kids Athletics

Some children in Class 3 & 4 attended a Athletics competition this week and were amazing!

Miss Bradley reported all the girls in Class 4 did really well and they had lots of fun.

Children in Class 3 came 4th out of 7 schools and Joseph received the 2nd highest event points on the day!

Well done everyone!

What is Courage?

How do we show Courage?
